**Originally designed for Catholic classroom teachers with no music background, it is easily adapted to the secular classroom or general music school setting.**

- **Based on Justine Ward's method of teaching music through games and challenges**
- **Covers K-2 grade instruction through pitch matching strategies, whole body movement for rhythm and rhythm and musical interpretation.**
- **Correct vocal production is taught through Intonation Exercises designed to perfect sight-reading skills.**
- **Analytical skills are emphasized through class participation of identifying correct pitch, timbre, rhythmic accuracy and melodic and rhythmic dictation.**
- **Applicable for adult and youth choir directors**
- **Appropriate for adults who are interested in learning to read music from the staff and sing with correct tone.**
- **Based on the expressive elements of Gregorian chant, it is also a primer for singing chant.**
